The tasks are varied and can include; door and window repairs, statutory fire door checks and adjustments, general carpentry tasks, kitchen fit outs, building fabric repairs, external timber repairs such as fencing, timber panelling; etc
3. Identification and ordering of materials and parts for maintenance tasks, including assessing stock levels and organising stores.
4. Act as liaison for contracted labour, providing direction and as necessary supervision to ensure works are completed in accordance with technical and safety requirements.
5. Responding to issues and investigating works, and providing job status updates to ensure appropriate information is logged and recorded in an accurate and timely manner on Planon (Maintenance Tracking System)
6. Responsible for statutory and mandatory planned maintenance, servicing and health checks including on fire doors, rainwater goods, student residence room checks, lock and hinge maintenance, etc.
7. Provide advice, guidance and shoulder to shoulder assistance to trainees, apprentices, and other team members related to carpentry and joinery maintenance tasks.
8. Work closely with all Estates trades staff from the Building and Engineering maintenance teams, supporting all maintenance activities when required, including non-carpentry works.
9. In addition to routine maintenance tasks, carry out appropriate care and control of tools, PPE, COSHH controlled substances, keys, access equipment, vehicles, etc
10. Contribute to development of safe working practices for carpentry tasks, including developing risk assessments, for correct safe use of workshop machine tools.
11. Assist with general site operations from time to time as required, e.g. car park management, preparation for events including graduation ceremonies,

responding to adverse weather events including snow clearance and drain clearance, etc

12. Participate in the out-of-hours on call rota on a shift/rota basis with other members of the maintenance teams.

General Duties and Responsibilities:

1. Achieve role objectives with professionalism, expertise, and efficiency, considering the diverse needs of our customers and striving for excellence in service delivery.
2. Support a culture of service excellence, ensuring performance and service standards for our university partners are met whenever possible. Prioritise fairness, efficiency, and responsiveness to customer needs in all interactions.
3. Demonstrate a collaborative and positive mindset, prioritising teamwork and long-term sustainable solutions. Recognise the equal importance of relationships and achievements/outcomes and foster a culture of learning and mutual accountability.
4. Support keeping FX Plus, Falmouth University and the University of Exeter compliant with all legislation and adopted standards, including but not limited to Health & Safety, Equality, and Safeguarding.
5. Support sound financial management to optimise resource allocation and sustainability within the service domain, in alignment with the overall financial strategy approved by the FX Plus Board.
6. Support the identification, monitoring, and mitigation of functional risks, ensuring compliance with relevant legislation and policies while maintaining operational effectiveness.
7. Ensure the activities of the service area are conducted in line with its Sustainability, Environmental and Health and Safety Policies.
8. Support the promotion of Equality, Diversity, and Inclusivity within FX Plus, challenging discriminatory practices and behaviours while fostering an approachable environment as a 'Trusted Ally'.
9. Collaborate effectively with peers to cultivate a culture of excellence, innovation, and efficient service delivery across the organisation.

10. Support a culture of continual improvement within the service domain, actively seeking opportunities for effective change and proposing innovative improvement initiatives.
11. Demonstrate a flexible attitude to change and actively support the Universities and FX Plus in evolving to meet existing and future needs, undertaking additional duties as necessary to support the effective functioning of the service, without altering the core responsibilities of the role.
